Memorial Day/No
School

June 1-3:
Early Dismissal at
12:30p.m.

This newsletter was created by Olivia, Devin, Kayla, Hugo, and Haley.

Earth Day Celebration Olivia Martin

During the month of April, we did an Earth Day Celebration. We

made key chains, planted sunflower seeds, made CD fish, and last but not least decorated and ate CUPCAKES! We had cupcakes with green icing. It tasted really good. When I got home, my sunflower seed was grow-

ing so BIG. I can't wait till my sunflower grows!

P.E. Devin Sloan and Kayla DeCaul

In P.E., we had soccer matches. In the last game, it was the best of my career. Well, that was my first season. 0-0 game tied. Someone ran for the goal. He kicked the ball ten feet away. I saved it. The score was now 1-0 with my team in the lead.

Someone else kicks the ball ten feet away. I saved it again. The game ended 2-1.

In the months of April and May, we have been doing fitness testing in P.E. We also played soccer, basketball, and kick-ball. On May 17th, we have to do a half mile run. I didn't have a favorite activity in P.E. I love sports!

Tornadoes Hugo Martinez

We have been studying different types of weather. My favorite is tornadoes. They are big storms that come from the sky to the ground. This happens when cold air swirls with hot air. It forms a tornado. Tornadoes can be strong or low but are most of the time strong.

The Lion, the Witch, and the Wardrobe Haley DeLoach

During the past couple of weeks, we have been reading The Lion, the Witch, and the Wardrobe by C.S. Lewis. It happens in a place called Narnia. In Narnia, there is a fawn, a white witch, and a lion that can talk. The fawn's best friend is Lucy. I love this book!
