ANNUAL FUND NEWS

What Is The LMMA Annual Fund?

The Annual Fund was established two years ago with the leadership of Allan and Dottie Von Dette and the committee. It is a fundraiser created to meet a specific need of our school and our children.

It is not necessary to ask all of us to spend hundreds of hours planning a gala dinner, raffles or gift wrap events.

The Annual Fund allows us to accomplish our goal in a simple straight forward manner.

What Are We Working For?

Exciting plans are in the works for new music instruments and curriculum suited for all ages. We will purchase and utilize Orff instruments and implement an expanded curriculum with new and updated teacher education and resources.

Tell Me More

Last year our Annual Fund raised the money needed for the new elementary playground and the sports equipment used by all ages. We celebrated with a ribbon cutting ceremony and ice cream social.

We look forward to the 2009-2010 Annual Fundraiser and all the benefits it will bring our school community. Music is an international language and brings much peace and joyfulness to our human nature. The children will delight in the sound of music!!!!

You can help by simply participating and sharing your enthusiasm with other families. Remember what our community stands for and that your child will directly benefit. We would like to have all contributions by Friday, October 16, 2009.

Our Thanks

We would like to thank you in advance for your continued support for our children.
With Warm Regards,
Allan & Dottie Von Dette

This week in Science we will be studying animals, including dinosaurs and pets, as well as astronomy. Children will be required to complete an in-depth science report on the animal of their choice by next Wednesday morning. Our trip to the zoo on Thursday may inspire some creative choices!

We will also work on geometry problems in Math homework. In Social Studies, we will read a book about the culture of the Inuit people, who used to be called Eskimos.

Monday

Today we are learning about dinosaurs.

Tuesday

Today we are learning about pets.

Wednesday

Today we are learning about the solar system.

Thursday

Today we are going on a field trip to the zoo.

Friday

Today we have a special guest from the fire department to tell us about fire safety.

Classroom Open House

Tuesday, September 6, 7:30 P.M.

Ice Cream Social with the Faculty

Friday, September 9, 5 P.M.

School Assembly

This week's school assembly is on storybook characters. Children may dress up like a character on Thursday. (You might want to bring a change of clothes for the rest of the day.) Costumes can be as simple as a hat or a small picture of your character pinned to your shirt. Have fun.
