This class combines songs and playful interaction to help children learn American Sign Language. The 1st 5 week class gives parents the tools to learn more than 50 American Sign Language signs for children ages 6 months to 3 years.</p> <p>SESSION B (Advanced) This session reviews the first three Keys to Signing Smart Success™ and provides an in-depth look at the final and fourth Key. New concepts such as in and out, up and down, big and little, tall and short will be explored with more songs and animal-themed activities.</p> <p>At Home Materials are included with both classes.</p>	<p>Children 1.5 - 3.5 yrs <i>Kindermusik Our Time</i> Away We Go 45 minute class with caregiver</p> <p><i>Kindermusik Our Time</i> is designed for children 1.5 years to 3.5 years of age. Parents & siblings are invited to participate in the last 15 minutes for Sharing Time of the 45-minute class. In Toys I Make, Trips I Take, Think of it like taking a course inside a child's imagination. We'll use the theme of a toy shop to make our pretend-creations, using rhythm and songs with every imaginary saw, hammer, and nail. The result is building the preschooler's sense of a sequence of events, which is good for storytelling, as well as making his ideas a reality. Each week provides preschoolers one uninterrupted session of imaginative play that's guided in a very specific, sequential way—with a special sharing time with parents in the last 15 minutes of class</p> <p>Home Materials: Two books—<i>If I Had a Big Blue Boat</i> and <i>Tippity Tippity Too</i>, Toys I Make, Trips I Take Play Set, Two Home CDs, Family Activity Book, and a drum.</p>	<p>Children 5 – 7 years <i>Kindermusik Young Child</i> Semester 2 1 hour class without caregiver</p> <p>A pressure-free approach to learning, but concrete enough because your child's mind is ready for the more abstract thinking processes that music requires. Play remains the primary way a young child learns, so throughout the curriculum there is a consistent effort to balance active learning with the emotional reasoning aspects of a young child's development in mind.</p> <p>Benefits for Your Child and You</p> <ul style="list-style-type: none"> -Balances activities that integrate listening, vocal development, movement and performing in instrumental ensemble. -Introduces your child to the written language of music while cultivating music creativity. -Provides age-appropriate musical experiences that lead your child toward a lifetime of joyful music making. -Helps you and your child recognize special interests or skills for future formal music instruction. More detailed descriptions on our website! <p>Home materials set includes: Glockenspiel and carry bag for new studios. A one-room schoolhouse approach to music. With older children ready to show the little ones how it's done and the younger ones eager to learn, <i>Kindermusik Adventures</i> becomes a multi-layered learning environment. Each week, a <i>Kindermusik</i> Educator will introduce basic musical concepts and then give you the instruments, and the structured free time to put those concepts into play. Offered in 5 week long sessions, each session is a different theme!</p> <p>Session A – ON THE GO – Transportation fun! Session B – FAMILY AND FRIENDS – Sing, dance and play together! Session C – HOW DO YOU FEEL? – Learn about feelings through music.</p> <p>Each session comes with a CD of music, instrument and home magazine.</p>	<p>Music for Aardvarks, CD 5 & 6 with Mr. Richard <i>featuring music by David Weinstone of Nick Jr.</i> 45 minute class with caregiver</p> <p>Music for Aardvarks is a refreshing alternative to the traditional music class for kids. The program was created in 1997 in Brooklyn, NY by rock composer/musician and father of 3, David Weinstone, and has been going great guns in NYC ever since. Music for Aardvarks is distinct from other children's music programs in that all classes are based around Mr. Weinstone's original songs, rhythms, and chants. In an exhilarating range of musical styles, Aardvark songs reflect and celebrate the lives of kids growing up today. The music is innovative, intelligent, and irresistibly appealing to both kids and their parents. These informal, spirited classes incorporate sing-a-longs, free-form dance breaks, and instrumental jam sessions. It's an interactive musical party that the whole family can genuinely get excited about!! These classes are led by Mr. Richard. Each 6 week session comes with a CD of different music. Coming up new CD's 5 and 6 (our first time offering this music!)</p>
